Product Description

SIKA SANISIL is an acetoxy cure silicone sealant that cures quickly to provide a permanently flexible, high strength waterproof seal. Specifically designed for sanitary applications, it contains a powerful fungicide to prevent mold growth and meets ISO11600 F and G 20LM

Benefits

- < Fungicidal formula - will not discolour on aging even in humid/damp conditions.
- < Permanently flexible.
- < Quick curing - low dirt pick up.
- < Waterproof seal
- < Certified under the harmonized European standard EN15651 for façade, glazing, cold climate and sanitary applications in compliance with the Construction Product Regulation
